This comic is presented in its original Japanese right-to-left format, in order to preserve as much of the detail and orientation of the original artwork as possible. Readers unaccustomed to this "manga-style" order are welcome to download the Left-to-Right Edition of this comic.

But if you prefer authenticity or simply wish to have fun trying something new, all you need to do is start from the top-right panel of each page and work your way towards its lower left-hand corner. Please use the guide below to see an example of the reading order you will encounter:

First Cup of Ubuntu

Hello, my name is SYS-KAN and this is my first post. As written in the title, I upgraded to Ubuntu 8.10 on 11/27, but ended up with an X Server failure.

I tried to figure out the cause, but I'm not privy to how X works and I'm not sure what to do now. I would be very grateful for any kind of assistance I can get from this forum.

I've attached copies of the xorg.conf and Xorg.0.log files if it will help.

Thank you.

M-MY POST?!

AH!!

...POST THIS FOR ME?!

FLUSTERED

DID M-MASATO...
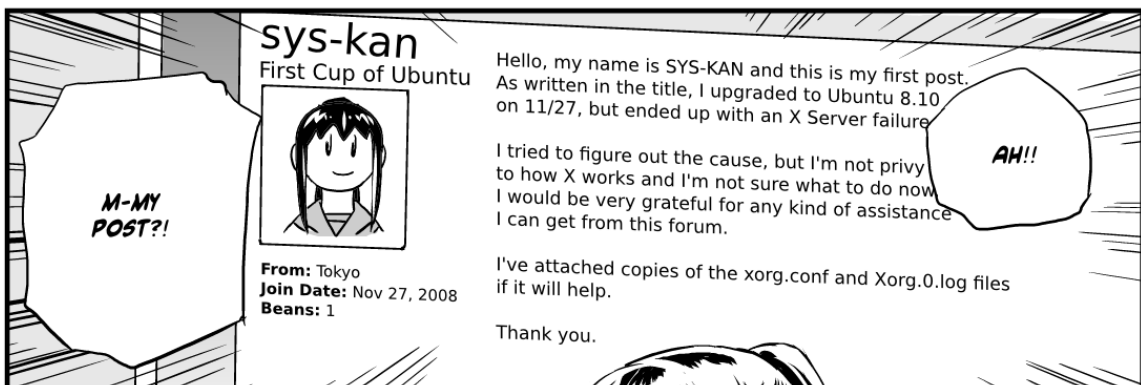

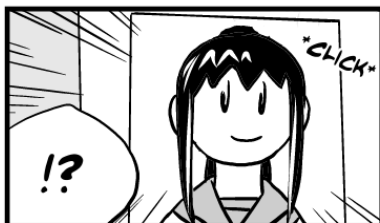

THAT'S WHY I DON'T UNDERSTAND...

I have the same problem in my system. Now that I know it's a bug, I guess we have to wait for a fix.

AN XORG BUG...?

I NEVER REALIZED SO MANY PEOPLE WOULD HAVE THE SAME PROBLEM.

I can confirm this problem after an upgrade to Intrepid. The issue lies with the permission of xorg.conf file for X.org 7.4.

I reported this bug to Launchpad, so the problem should be fixed shortly.

My heartfelt thanks to SYS-KAN for the first detailed report!

THERE ARE ALREADY SO MANY REPLIES...

!

BE COLLABORATIVE...

SO IN THIS CASE...

...AND MASATO POSTS, SO YOU CAN SAY THAT THIS WAS A COLLABORATIVE EFFORT.

...AKANE WRITES...

THERE'S A PHRASE IN THE UBUNCHU CODE OF CONDUCT LIKE THAT, ISN'T THERE?

MASATO....

I KNEW THIS WOULD HAPPEN.

DON'T THINK YOU CAN GET OFF THAT EASILY!

AFTER ONLY A SHORT WHILE..

OUR BELOVED UBUNCHU MACHINE WAS WORKING PERFECTLY AGAIN.

SMASH

LOL!

WUT?!
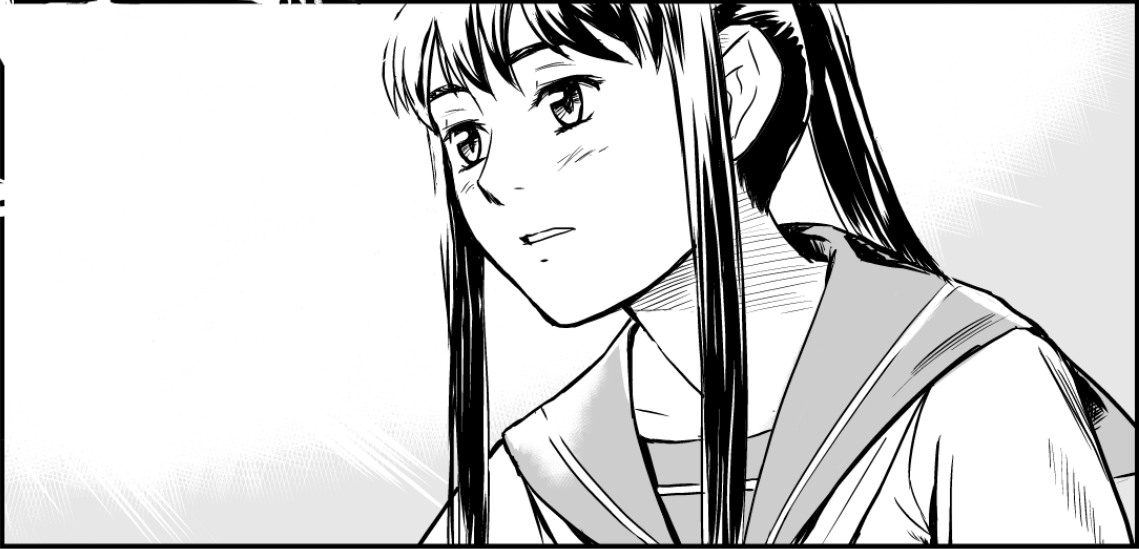

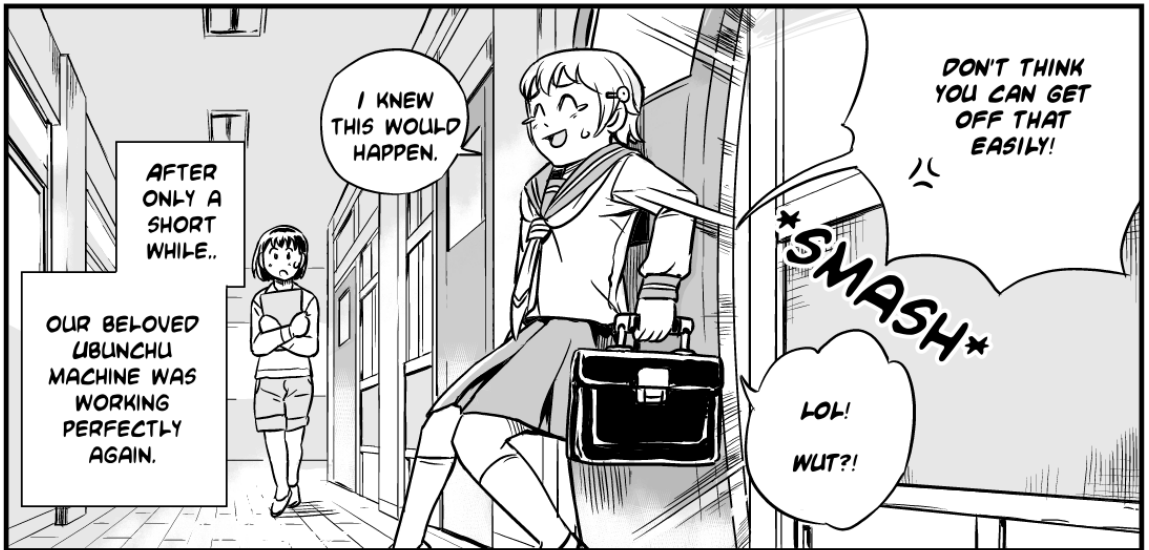

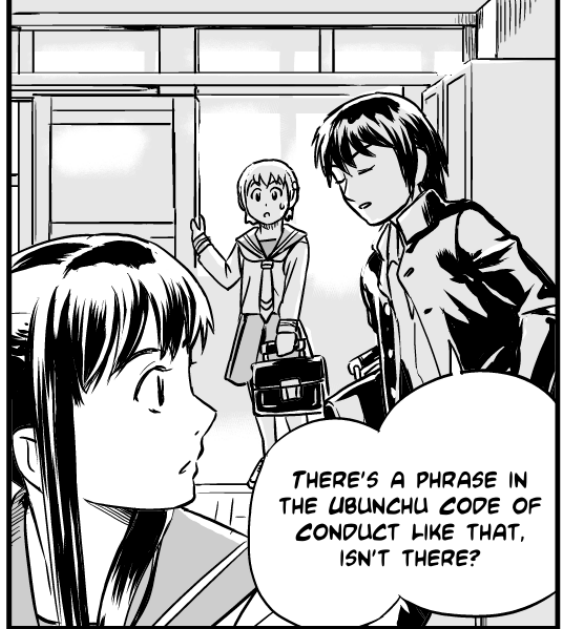

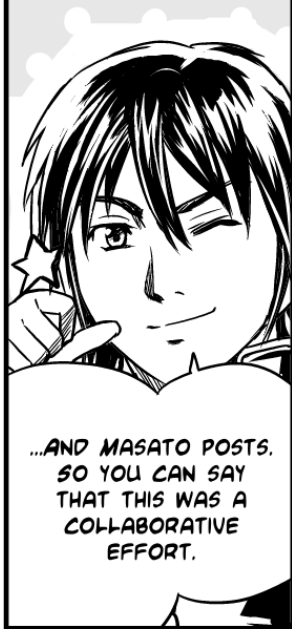

I'LL LEAVE THAT UP TO YOU....

WILL AKANE GET OVER HER FEAR OF FORUMS?
